

INSTALLATION GUIDE

BEN NEVIS 2

Component List

[EN]

- 1) Heatsink
- 2) Fastening Tool
- 3) Intel Backplate
- 4) Bracket
- 5) Standoff
- 6) Tightening Nut
- 7) Thermal Grease

[DE]

- 1) Kühlkörper
- 2) Befestigungswerkzeug
- 3) Intel Rückplatte
- 4) Halterung
- 5) Abstandshalter
- 6) Spannmutter
- 7) Wärmeleitpaste

Choose Components for Sockets:

LGA1851/1700/1200/115X:

1 2 3 4 5 6 7

AMD AM4/AM5:

1 2 4 5 6 7

How to choose the correct mounting holes

Intel LGA1851/1700/1200/115X

AMD AM5/AM4

Component No.

1 2 4 5 6 7

Fan Connection

EN

Connect the 4-pin interface of the fan to the CPU_FAN interface on the motherboard by using a PWM splitter to achieve intelligent temperature control.

DE

Verbinden Sie den 4-poligen Anschluss des Lüfters mit dem CPU_FAN Anschluss auf dem Mainboard, indem Sie ein Kabel Splitter verwenden, um eine intelligente Temperaturregelung zu ermöglichen.

Have Questions?

- 1 Please ask for professional help if you don't know how to install.
- 2 Make sure you're working on a power-off PC.
- 3 If you have any doubt about components list or product itself, please contact your original reseller/ retailer/ etailer.
- 4 Alpenföhn is always ready to offer our support. You can find the contact information below.
- 5 Descriptions are for your reference. Different models may vary in terms of components list.
